Republican Women AND Men Are Cordially Invited!

We Welcome Special Guest Speaker:
Adrian Rafizadeh

Adrian will speak on the recent rise of the radical, socialist “New Left.” He will touch on the causes, issues, and impacts of the socialist resurgence on the American political landscape, and what conservatives should do about it. Adrian is a Bay Area native who is a junior at Leland High School in San Jose. His parents immigrated to the United States from Iran in the 1980s, and Adrian was raised with an understanding of the greatness of the United States’ free speech and free markets. Adrian founded the Youth Conservative Forum, a political advocacy group that promotes exposure of teens in the Silicon Valley area to conservative ideas. The group aims to facilitate conversation and debates between teens of different political ideologies, breaking off the ideological imbalance of the deep blue Silicon Valley.

Adrian also competes for the #1 Nationally-ranked Leland High School Speech and Debate team, speaking on worldwide political issues as diverse as the United Nations Convention on the Law of the Sea to price controls on the domestic housing market. Additionally, he has served as his class president for two years and is currently seeking a third term. Adrian is very active in his local community, as he is the Project Manager of San Jose District 10’s Youth Advisory Council where he helps coordinate municipal policy targeting adolescents. He always takes advantage of opportunities to voice his conservative views on his campus and in his community, and is a staunch advocate for capitalism: the freer the market-the freer the people. The Youth Conservative Forum hosted a speaker event for young conservatives presented by Lt. Col. Buzz Patterson on March 26th of this year.

Please join us for a fantastic buffet dinner and our great speaker!
