Republican Women AND Men Are Cordially Invited!

We Welcome Special Guest Speaker:
Loren Spivack, The Free Market Warrior

Loren will address a number of issues of interest - one of which is the excesses of the environmentalist movement. Loren Spivack "The Free Market Warrior" was born and raised in Massachusetts and spent most of his adult life in New York City. Loren founded "Free Market Warrior" in 2009 in an effort to make a positive difference in American politics and economics. His "Free Market Warrior" store was expelled from Concord Mills Mall in North Carolina in July of 2009 for selling material critical of the Obama Administration. (Mall owners, Simon Property Group, are major Democratic donors.) Since then Loren has devoted his time to reaching conservative groups about free market economics. He conducts "Economic Literacy" seminars across the United States. So far, Loren has delivered his famous seminar on "Economic Literacy" to over 200 groups in 20 states. Loren is also the author of "The New Democrat" a parody history of the Obama administration, based on a famous children's book. With pitch-perfect rhyme and clever illustrations, "The New Democrat" transforms the political personalities of our times into cartoon characters in a conservative morality play. Loren's second book "The Gorax" is an anti-environmentalism/pro capitalism parody starring Al Gore, and presenting his movement as a threat to American freedom and standard of living. Once again Loren is both funny and poignant as he makes the case that capitalism (represented by the "One Percenter") is the real victim of environmental extremists who destroy prosperity without achieving even their own goals. Along the way, Loren takes well-aimed shots at everything from "The Feds to the Teachers Unions".
