Nick Adams

The Future of America

*“How Political Correctness is Turning the American Dream
Into the European Nightmare”*

Nick Adams is a four-time best-selling author, Fox News commentator and currently serves as a surrogate for the White House. Born and raised in Australia, Adams is a legal immigrant to America, receiving a rare Extraordinary Ability Green Card.

His books include Retaking America: Crushing Political Correctness endorsed by Dennis Prager and Dana Perino, The American Boomerang with foreword by Lt. Col. Allen West – “a remarkable book...an intensive look into the American soul and American “psyche”...Gov. Mike Huckabee and The Case Against the Establishment with foreword by Pete Hegseth. Green Card Warrior, detailing his journey to America received special distinction in March 2017, with President Donald Trump declaring it “a must read.” It was the first time in the history of the United States that a sitting President has ever endorsed a book.

His books have also been endorsed by The Heritage Foundation, Sean Hannity, Ben Carson, Oliver North, Hugh Hewitt, Chuck Norris, National Review and the NRA.

Adams has appeared on virtually every major television and radio program, and his work has been published in newspapers around the world. In the United States, he has spoken at conventions, corporate meetings, military bases, universities, high schools and churches. Abroad, he has given major addresses in England, Germany and South Korea.

Adams is the Founder and Executive Director of The Foundation for Liberty and American Greatness (FLAG) (www.flagusa.org), an organization that visits elementary, middle and high schools to provide training to increase patriotic pride and bridge the major civic deficiency that currently exists. The FLAG board includes luminaries such as Lt. Col. Allen West, Dennis Prager, Pete Hegseth and others.

Adams earned both undergraduate and postgraduate degrees at the University of Sydney. At the age of twenty-one, he was publicly elected the youngest Deputy Mayor in Australian history in Sydney.

He looks forward to a lively question and answer period.
