

JOIN LIKE-MINDED REPUBLICANS

LET'S TALK ABOUT TAKING BACK SILICON VALLEY!

Dear Republican Neighbor,

Are you fed up with all the crime, outrageous cost of living and poorly run schools in California?

Families and businesses have been leaving our state in droves!

California has been under one party rule for too long. It's time to take our state back, county by county, precinct by precinct.

If we want to win and to take back California in 2026 we need your help!

Come for an afternoon of food and fun, to meet your fellow Republican neighbors and to hear local Republican leaders share their strategies and tactics to defend our values by fighting for and winning local, county, & state elections in 2026.

There are like-minded people who DO want to work to protect the values you hold dearly.

We would love to meet you face to face and have you share your concerns, thoughts, and ideas on how to Make Silicon Valley Great Again.

We are really interested in meeting and hearing from YOU.
