MARK MEUSER
*Candidate for California
Secretary of State*

Mark Meuser is a native Californian, a small business owner, an attorney, and a patriot who is committed to fighting for fair and honest elections, and the rule of law.

By age 15, Meuser was in a management position at a local restaurant. By age 21, he purchased his own pizza restaurant. While his restaurant business was thriving, Meuser began studying law. He graduated with honors from the Oak Brook College of Law.

Mark is an accomplished attorney. Among his many legal cases, you may have heard of the widely publicized case between the Berkeley College Republicans and their victory in the legal battle with the Antifa group, By Any Means Necessary. He represented the former President of the Berkeley College Republicans, Troy Worden.

Meuser said his priority is to give the people of California an open and accessible government that works for them, not against them. California needs a Secretary of State who will fight to protect the rights of citizens to vote and to petition their government, he said. California needs a Secretary of State who will restore the people's confidence in open, secure, and fair elections, he said.

Reserve early – and bring a friend!
