**Club Restaurant at McInnis Park, 350 Smith Ranch Road, San Rafael, CA
11:30 am – 1:30 pm**

Speakers:

Judge Steven Bailey, 2018 Candidate for CA Attorney General

And

Allison Olson, CFRW Legislative Advocate

Topic: Steven Bailey: Why I am running for CA Attorney General

Judge Steven Bailey presides as a Superior Court Judge in El Dorado County, California where he has been effective in protecting California families. Prior to taking the bench in 2008, he had a successful law practice for 18 years, and served as a Juvenile Judge for four years. He brings a wide breadth of experience to his offer to serve as Attorney General. He has adjudicated cases in human trafficking, criminal activity, domestic violence, mental illness, family law, and elder abuse. He brought the Veterans Court to El Dorado County to foster a better understanding of the issues embroiling this population, the effect of drug use in children and adults, and how the use impacts the local community.

Topic: Allison Olson: What is Gov. Brown Doing Now?

Allison is our CFRW Legislative Advocate, our “eyes and ears” at the State Legislature. The CFRW Advocacy Program, working with Republican legislators, has evolved into an effective voice for women involved in government. The program has enabled us to influence legislation, seat many women in pivotal appointments, and make our presence felt. The Legislature will be wrapping up its session when Allison comes to speak to us, so she will discuss the bills they passed and those they did not pass, and what is on the Governor’s desk to sign. The fate of approximately 800 bills will be decided in the next two months!
