

MRWF Luncheon Meeting, Wednesday, June 12, 2019
Club Restaurant at McInnis Park, 350 Smith Ranch Road, San Rafael, CA
11:30 am – 1:00 pm

Speaker: Linda Paine, President, Election Integrity Project California, Inc.
Topic: Fighting for Election Integrity in California

Linda is President and Co-Founder of Election Integrity Project California, Inc. (EIPCa). She has always had a passion for people and a deep love for America. Linda also co-founded the Tea Party group in Santa Clarita, California, and the SoCal Liberty Coalition of citizen activists.

Since January 2011, Election Integrity Project volunteers diligently researched state and county voter rolls and trained approximately 10,000 volunteers in 40 counties to observe polling locations and report observations.

In August 2015, the California Advisory Committee to the United States Commission on Civil Rights held a public hearing to review EIP's reports, civil grand jury reports, and national reports on the condition of California's election process. Approximately 80 citizens from counties all over the state described their documentation of deterioration of the entire election process.

In March of 2017, Linda and Ruth Weiss founded the nonprofit organization Election Integrity Project California, Inc. (EIPCa) to continue the work of the Election Integrity Project.

In December of 2017, EIPCa became the main plaintiff in a lawsuit filed by Judicial Watch against the CA Secretary of State and Los Angeles County Registrar-Recorder, based on noncompliance with the NVRA requirement to ensure voter rolls are properly maintained.

In December 2018, Election Integrity Project California, Inc. signed a Settlement Agreement that requires the State to immediately begin to follow federal mandates to identify and remove deceased, those who have moved and other ineligible registrants from the voter rolls throughout California.

Come and find out how we, in Marin County, will be participating in this effort for our rolls.
