

**MRWF Luncheon Meeting, Wednesday, February 28, 2018**  
**Club Restaurant at McInnis Park, 350 Smith Ranch Road, San Rafael, CA**  
**11:30 am – 1:00 pm**

**Speaker: Travis Allen, Assemblyman and Candidate for Governor of California**

**Topic: Why I Am Running for California Governor**

A long-time resident of Huntington Beach, Assemblyman Travis Allen was first elected to the State Assembly in November of 2012 to represent the 72nd Assembly District in Southern California. As a State Assemblyman, Travis Allen has fought for lower taxes, safer communities, better roads, and better schools.

For over 20 years, Allen has operated his own small business as a Certified Financial Planner, concentrating on investing and building secure retirements for working families, retirees, and local business owners. Assemblyman Allen saw the damage done to the portfolios of his hard-working clients by government overregulation and bad policies. He has seen firsthand businesses that have been forced to relocate to other states, taking their jobs with them. Seeing this repeat itself too many times, Assemblyman Allen became politically active to help small businesses by fighting for job creating policies.

Travis Allen has a lifelong history of giving back to his community. He has given his time and resources to many charitable and community causes, including helping the homeless of Orange County with the Orange County Rescue Mission and supporting the Christian and Jewish communities.

He knows that if we work together California can once again be a state that has the best schools, safe neighborhoods, and thriving small businesses and communities where hard-working families can afford to live.
