In June 2017, Allen announced his candidacy for Governor of California in the 2018 election. He is running on a platform of spurring job creation and business growth by cutting California's high tax rate, restoring *tough-on-crime* policies; using existing, record tax revenues to fix the state's deteriorating freeways and roads and reduce traffic; increasing school choice and creating more charter schools; preventing future water shortages by increasing water storage capacity and completing the landmark California Water Project.

ALLEN RATINGS FROM LEGISLATIVE REPORT CARD:

100% by American Conservative Union
80% Children's Advocacy Institute
100% by Howard Jarvis Taxpayers Association
93% National Rifle Association
100% National Federation of Independent Business

Allen voted **AGAINST**: SB394 authorizing parole juvenile offenders with life sentences; SB54 establishing a statewide sanctuary policy; SB179 recognizing nonbinary as an official legal gender.
