Distinguished Guest Speaker

Tim Chapman

*Executive Director – Heritage Action for America
Political Arm of The Heritage Foundation*

Tim Chapman serves as the Executive Director of Heritage Action. In this role, Chapman is responsible for establishing a long-term, strategic vision for Heritage Action while working alongside The Heritage Foundation leadership to ensure both organizations are working toward common goals. The Pennsylvania native is an original co-founder of Heritage Action for America, serving first as its Chief Operating Officer, and has been a driving force in the day-to-day success of the organization.

A distinguished voice in the conservative movement, Chapman has served as a key adviser on public policy matters throughout his tenure in the United States Senate and with The Heritage Foundation as chief of staff to former-President, Ed J. Feulner, Ph.D. Tim has been published and quoted in outlets including The Hill, The Washington Post, National Review, and Forbes, and has made multiple appearances on cable television. Chapman has also held multiple positions with the United States Senate.

Heritage Action turns conservative ideas into reality on Capitol Hill by holding lawmakers accountable to their promises to advance the conservative principles of free enterprise, limited government, individual freedom, traditional American values, and a strong national defense. Heritage Action's unique strategy combines inside-the-Beltway lobbying with outside-the-Beltway grassroots pressure.

At the conclusion of his talk, Tim welcomes a question and answer period.

Due to the rising cost of food and staffing, the St. Francis Yacht Club has increased their pricing by \$5.00... from \$55 to \$60. All things considered, this is still very reasonable. Please note, we only charge our members and associates the amount charged by the venue. This increase does not add to our club's treasury. It covers the required cost increase by the SFYC.
