Julie Mobley

Election Integrity and Counting Your Vote In Contra Costa County
Tuesday, September 24, 2024 | *11:30-2:00pm | $36

Julie Mobley was the Republican nominee for CA State Senate (SD-7) in 2020 and currently serves as a CAGOP state delegate and member of the Contra Costa Republican Central Committee.

Julie is a lifelong Republican and became actively involved in California politics in 2018, volunteering during the gubernatorial election to help elect a Republican governor after becoming concerned with California's one-party rule.

Julie previously worked as a chemical engineer in the consumer products industry and served as a volunteer in her local community. She served on the 2019-2020 Contra Costa Civil Grand Jury for local government oversight and has completed Certified Election Observer (CEO) training in the Contra Costa County election office, which gave her a detailed and behind the scenes look at county election procedures. She is passionate about engaging more Republicans, growing the Republican party and winning local and state elections to restore balanced leadership in California.

We will also hear from Karin Shumway, SRVUSD School Board Candiate for Area 2.
