PRESIDENT'S MESSAGE

I am pleased to report the names of our 2016 Scholarship winners. They are Abigail Foster and Jordan Roylance from King City High School, both accomplished students with bright futures ahead of them. Abigail plans to attending Monterey Peninsula College for an associate degree in nursing and then continuing on to Cal State University at Monterey Bay for her RN degree. Jordan will attend Brigham Young University to study computer science after completion of his two year mission with the Church of Jesus Christ of Latter Day Saints. We hope to have Abigail and Jordan join us at our August 2nd meeting to congratulate them on being selected for our club's scholarships. Thanks to Paulette Bumbalough and Barbara Vaughan who conducted the interviews and to Sue Miller who presented the scholarships at the banquet for our club.

Monterey County Republican Party sponsored our booth at the Salinas Valley Fair and thanks to all of our members who took shifts at the booth to promote our local Republican candidates and register voters. Candidates Casey Lucius, Georgia Acosta and John Nevill were there to meet and greet voters and a special thanks to Associate Member Mike LeBarre who did all the heavy lifting in setting up and dismantling the booth.

Now we are near the Primary Election Day and decisions will be made for our local races. I am hoping that the Republicans will come out for this election and I know that you will all be encouraging your friends to go the polls or mail that absentee ballot as these local elections can determine the direction our county will go in the future. On a statewide issue, the CFRW recommends a "NO" vote on Proposition 50, the only initiative on the ballot.

No on Prop 50!

You will find one ballot measure on the June Primary Ballot - Prop 50. **The CFRW recommends a "NO" on Prop 50!** This proposition is titled "Suspension of Legislators". So many voters will think that this is a good measure protecting them from bad legislators. This bill was authored by Senator Darrell Steinberg in the wake of three Democrat Senators being either indicted or convicted of multiple felonies last legislative session. All three Senators were suspended with pay during the ordeal.

At the time, Senator Steinberg was Senate President Pro Tem and attempted to save face with this proposed ballot measure, but Prop 50 does nothing to protect constituents. It perpetuates the culture of corruption by not allowing the legislature to expel indicted or convicted felons, but instead suspend them with or without pay. Californians deserve better. **Prop 50 is also written so that members of the majority of the legislature could suspend a colleague just for disagreeing over legislation.** This is potentially dangerous and unethical. The CFRW does not agree with this smoke and mirrors measure.
