**Paul Taylor**

**ARE WE GOING TO BE DOOR MATS OR**  
**ARE WE GOING TO STAND TALL LIKE SEQUOIA REDWOODS?**

Paul Taylor, REPUBLICAN, strongly opposes sanctuary cities. He ran his 2018 campaign for U.S. Senate against Diane Feinstein on defying sanctuary cities. His campaign website listed his positions: Bring Companies Back to CA; Enforce E-Verify; End Sanctuary Cities and States; Reform Schools and Prevent Special Interest Agendas; Create Jobs and Decrease the Size of Government; Merit-Based Immigration; BUILD THE WALL; Maintain the Second Amendment; and Build Up the U.S. Military. Currently Paul is working as one of the developers of the New California State, and is involved with Statesmanship, helping other candidates who are running for office. Paul is currently helping Ellen Zhou, a Christian Conservative Chinese immigrant, run in the regular mayoral election in San Francisco! He is a native of Oakland, California, was educated at Chabot College and Cal State Hayward. He is married and is Grandpa to two fabulous boys. Paul was self-employed in manufacturing for 30 years, helping to create over 200,000 jobs as a result, and retired in 2010.

The basis of his political beliefs rest on the 2 Chronicles 7:14 - "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn away from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land."
