Republican Women AND Men Are Cordially Invited!

We Welcome Distinguished Guest Speaker:

Scott Bennett

"SHELL GAME: A Military Whistleblower's Report to Congress"

In 2011, 2nd Lt. Scott Bennett, U.S. Army Special Operations Officer and Psychological Warfare analyst, worked at the highest levels of counterterrorism, intelligence, and politics in Washington DC. He had a Direct Military Commission from the President, and was a leading writer and thinker at the State Department Counterterrorism Office, U.S. Special Operations Command, and the G. W. Bush Administration.

After discovering and exposing massive corruption within the Obama White House and military contractors, Bennett was unlawfully imprisoned on trumped up charges by the Obama Administration. Why? In the performance of his sworn military officer's oath, Bennett had filed intelligence reports exposing illegal terrorist finance corruption and money laundering involving the Clinton Foundation, the law firm Covington and Burling, the Department of Justice (Eric Holder, Lanny Breuer, Loretta Lynch, Kevin Downing), Saudi Arabia-Qatar, the Muslim Brotherhood, US Central Command, and international defense contractor, Booz Allen Hamilton.

Bennett was threatened, then imprisoned and tortured. But with spiritual strength and renewed determination, and aided by "military white hats" and top legal minds, he kept filing reports that were smuggled out of prison to the military and Congress. He had intelligence materials provided by Wikileaks, Edward Snowden (fellow Booz Allen Hamilton colleague who left the country after seeing what happened to Scott Bennett), and Swiss Bank whistleblower Brad Birkenfeld.

Bennett synthesized his past work, contacts, experience and intelligence research to unravel the real story behind Booz Allen Hamilton, the Carlyle Group, and the terrorist attacks of September 11, 2001 to give the American people the truth many always suspected.

May Bennett's story challenge the lies and corruption that have betrayed Americans and may it inspire a new generation of leaders with integrity to come forth. Bennett's compilation of reports, letters to Congress, and synthesized intelligence materials (unclassified) are told in his book, "SHELL GAME". Scott will be bringing his book - \$ 25.00 each - and he will sign his book for us!
