**Republican Women AND Men Are Cordially Invited!**

**We Welcome Special Guest Speaker: Bill Hodges**  
**A Salute to Our Veterans and the 2<sup>nd</sup> Amendment!**

Besides family, Bill has two very important passions in his life.... Veterans issues, the Constitution and, in particular, the Second Amendment. He is a native Californian, having lived in both the Northern and Southern parts. His hope is that someday, we will join the United States of America. Just prior to high school graduation, Bill joined the U.S. Naval Reserve program, and in 1965 elected to begin his two-year active duty requirement.

After that, he married and became a father to daughter (Vicki) and son (Chris). Having been a "natural" for the retail business, he specialized in the photographic industry, both retail and wholesale, and continues to work as a manufacturers' representative. Bill remarried, and he and his wife Sue, who is also a Veteran, joined the local Chapter of Vietnam Veterans of America (VVA), and both have served as officers of that Chapter. He is currently the president and treasurer of the Chapter 400, and also secretary of the VVA California State Council. Bill has closely followed the obstacles confronting Veterans on the Federal, State and local scenes. Agent Orange/Toxic Substances, PTSD are only two of the battles that are ongoing in the lives of Veterans and their families.

On the Second Amendment front, we're facing the same old do-gooders, who refuse to stop their endless attacks on the millions of law-abiding citizens, while ignoring the real cause of so-called "gun violence": Criminals! Federal, State and local governments constantly going against our rights, and not recognizing our Constitution as the brilliant document guiding our nation for over 230 years. In fact, one State Legislator who when asked about the Constitutionality of an issue, responded with, "Here in California, we don't recognize the Constitution." Bill is also an NRA & CA DOJ Firearms Safety Instructor.
