Topic:

The Left's Plan for 2020 and How to Counter It

The Democratic party's consistent defunding of the US military, Obamacare, the Iran Nuclear Deal, normalization of relations with Cuba, Islamic refugee re-settlements, \$15 minimum wage, fracking bans, pipeline shutdowns and the push for illegal alien amnesty are all consistent with far left and Islamic agendas.

Trevor Loudon believes that these forces must be exposed and countered, as America's continued role as a bastion of freedom is pivotal for the future of western civilization.
