**2021: Let's Keep America Great**

**Thursday, July 8, 2021**  
**Republican Women AND Men Are Cordially Invited!**

**We Welcome Special Guest Speaker:**  
**Yuri Manirko**

**Yuri Manirko will discuss the vast differences between his life in the former Soviet Union and his life now in the United States of America since 1994!**

Yuri Manirko and his lovely wife, Galina, are proud members of our Tri Valley Republicans! Yuri emigrated with his family from the former Soviet Union in 1994, at the age of 36, with two suitcases for each family member. He has a Master's Degree in Electrical Engineering from the USSR. He studied Marxism and theory of Communism and Socialism in the USSR. He learned a new occupation in the United States and blossomed from a PC technician to a computer scientist in the Lawrence Livermore National Laboratory. Aside from interesting, sad, and funny stories from his "previous life", Yuri will reflect on his past experiences and compare them to the events that have been happening in the U.S. for the last two decades. He would like to share his knowledge on educating and pushing back the leftists, especially ones of the younger generations, when it comes to the following topics:

- + Socialism in the USSR and leftists' Democratic Socialism.
- + Constitutional rights in the USSR. Education, employment, healthcare, and housing.
- + Political correctness in the USSR and USA.
- + School education and higher education in the USSR. Student loans.
- + Global warming from my Soviet viewpoint.

**A very important topic for our younger generations to hear! Invite them to hear from someone who's lived the reality of socialism!**
