

FELLOW REPUBLICAN CLUB MEMBERS AND FRIENDS from President Burt Lancaster

The following candidates from Santa Clara County are in runoffs for city, county, state, and federal office in the November 8, 2023, General Election.

They have all agreed to attend our **August 25th All American Picnic at Gazebo Park**. We would like to give you their website information so you can take the time to look them up and learn about each candidate.

If you like what you read about the candidates and have a chance to join us on the 25th and meet them in person, any support you can offer will be deeply appreciated. No amount is too small. We realize how difficult it is for so many to make ends meet under this current administration.

Personal checks are preferable because candidates receive 100% of your gift. Credit card donations take a percentage. Each website has a donation/contribution icon. The address for mailing a check is usually at the very bottom of the page.

We believe in these candidates and hope to support them in their desire to make Santa Clara County livable again. Thank you for your consideration.
