APRIL 2026

APRIL 16, 2026

Don Jans is a renowned speaker and author who teaches through his vast knowledge of history the dangers we face in America today. A lifelong student of European and Russian history, Don Jans will present an interactive and important workshop based on his book about Samuel Adams setting "Brush Fires of Freedom".

Don has spoken to Republican Women up and down the state on Brush Fires of Freedom and how Samuel Adams did it. What is astonishing isn't the leftist views; it's that Samuel Adams's technique to set "brush fires of freedom" at the First Continental Congress is still a practical, powerful tool today. Adam's successful swaying of members from their rooted positions gave way to fertile ground to seed the Second Continental Congress, the signing of the Declaration of Independence.

Today, we are faced with vast challenges to preserve our family, friends and our way of life. Embracing and understanding the tried and proven method of Adam's technique is the key to our success. Join us in exploration and fun discussions of today's real social issues. Together, let's lay the fertile ground to build stronger family ties, cultivate our values and form peaceful communities for all.

Don will have copies of his books for signing. They make great gifts.
