Mindy Pechenuk is running for mayor of Oakland. She is getting great support in Oakland. At a recent city council meeting with the current mayor, Barbara Lee, she was discussing installing cameras in Oakland. At the end of her speaking time she pointedly said, "Let's make Oakland great again" and to her surprise she got a huge applause. Not from Barbara Lee, of course, but Mindy is continuing using the phrase for her mayoral campaign. She is walking around town wearing her Trump and MAGA swag and has gotten a lot of smiles and high fives in Oakland! She wants to talk to us about her campaign platform of bringing industrial development back to Oakland as well as increasing the budget for the Oakland Police whom she is in regular talks with. Mindy hails from the Brooklyn Queens area and has been in the Bay Area since 2015.
