DR. RICHARD FOX

Dr. Richard Fox, MD, JD, is a pediatric pulmonologist practicing in Los Gatos. He runs a vaccine-optional pediatric practice in Los Gatos, CA and has the unusual distinction of holding both an M.D. and a law degree. Dr. Fox was one of U.S. News & World Report's Top Doctors as Chosen by Their Peers in 2012-2013.

He has twenty-four medical research papers published in peer-reviewed journals, numerous abstracts and presentations. Dr. Fox was a Pulmonary Fellow at the Webb-Waring Lung Institute and taught in the Department of Pediatrics at the University of Colorado and Harvard Medical School. He is a graduate of Minnesota Medical School, and of Santa Clara University Law School.

Well known for his courageous stand against mandatory COVID injections, he is co-plaintiff in a lawsuit filed against the CA Department of Public Health to stop the requirements for all California school children to be fully vaccinated to attend school, preschool, or even daycare.
